After reconsideration of the properness of the Declaration, which the Examiner originally objected to in an Advisory Action mailed from the Office on April 18, 2007, the Examiner has determined that the Declaration is sufficient for the purpose of allowing the application. Any error within the Declaration (if any), is self-evident from any amendments(s) filed with and/or subsequent to the filing of the Declaration.

Thus, the After-Final Amendment filed on April 5, 2007, has been ENTERED and the application allowed
